

Prayer

Let us refrain from injuring anyone through our thoughts, words, or deeds. Let us see each person we meet as desiring happiness as we practice compassion toward one another. Let us remember the wisdom children naturally develop when they receive unconditional love for their highest aspirations. We visualize peace for ourselves and for all living beings.

WZM Award for Compassion

This monetary award of \$300 goes to a graduating high school senior who has demonstrated unselfishness and kindness. This senior gives service in an empowering way to others in the community and may have overcome significant obstacles to success him/herself.

Each recipient will be selected by the Jizo Peace Center on the basis of a 500 word essay written by the student on the experience of learning and practicing compassion.

The WZM Award for Compassion will be presented at individual high schools in the Southern California area. The Jizo Peace Center works through high school counselors with students recommended by high school teachers.

The Jizo Peace Center is willing to partner with community businesses to match funds towards a monetary award.
